**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a small business owner I rely on high quality residential service for my personal and business life. My local service went from being a poor quality big money cable service with high fees, slower speeds, and all kinds of bundles and time consuming hops to jump through.

With competition in the last few years I was able to get direct fiber to my apt, simple upfront pricing, operate my business more efficiently, and save a lot of time. Please support broadband competition!!!
